10 February, 2020

Dear Parents / Guardian

Playing a part to maintain cleanliness in the canteen

As we commemorate Total Defence Day in school this week, students learn about the importance of Social Defence, where each of us can play a part to show greater consideration for others and build strong ties in the community.

One practical way for students to practise Social Defence is by stepping forward to maintain a clean environment for everyone in the school community. Primary 5 and 6 students will be encouraged to clean the canteen tables after they have finished their food during the 10 a.m. recess. This helps to inculcate the values of social responsibility and showing consideration for others.

Cleaning solution will be provided by the school, but students are encouraged to bring paper towels to clean the tables. The teachers have also gone through a 4-step "Soap up, Wipe, Throw, Wash" routine with students so that they can clean the tables in a hygienic manner. The school will implement this initiative with effect from **11 Feb (Tuesday)**.

Students with sensitive skin should not participate in the wipe-down routine using the cleaning solution. They should however still wipe the table with dry tissue paper after they have finished their meal.

We would like to seek your support and consent for this initiative by **10 Feb (Monday)**. Please indicate your consent by clicking on the "Yes" button in Parent Gateway.

Thank you for your support and trust in the school.

Yours sincerely,

Mrs Yue Yoke Mun
Principal
