

2021 GEP Webinar Series for Parents

Session 2

"Strategies for Supporting the Social and Emotional Development of Gifted Children"

Date: Saturday, 14 August 2021 (AM)
Time: 0900 - 1100

Objectives:

In this webinar, we will be sharing some tools and strategies parents can use to model and reinforce the learning of social and emotional skills at home.

Background of Speaker

Mr David Kwek
Senior Specialist
Gifted Education Branch, MOE

David Kwek is a Senior Specialist in the Gifted Education Branch (GEB). He is part of the GEB team that develops the enriched Character and Citizenship Education (CCE) curriculum for GEP pupils.

This year marks David's tenth year working in the Branch. He is passionate about helping children to become their best selves, and continues to look for new approaches and strategies to strengthen their social and emotional competence.

David is also a father of three boys, each different and with unique personalities. They bring him much joy as well as challenges, and are a constant reminder that parenting is always a work in progress.
