Dear Parents / Guardian

Co-payment of Transport for Learning Journeys

1. The school aims to provide an enriched curriculum that incorporates learning journeys to expand the pupils' learning outside of the classroom. This year, the P4 students are exposed to five learning journeys:

- a. Museum (Social Studies) trip
- b. Museum (Aesthetics) trip
- c. Singapore Science Centre (Science) trip
- d. Walk-in-the Park (Science) trip
- e. Traffic Games trip

2. School will fund most of the learning journeys but there are some that are co-paid by the pupils. Financial assistance is available to pupils who need support for learning journeys that require payment. Pupils who require such support are to apply via their form teachers.

3. The school is collecting a nominal sum of \$5.00 for bus transport for the P4 pupils' learning journeys. This payment will be made through the Edusave Enrichment Standing Order.

4. If your child/ward is a Singaporean and you have established an Edusave Enrichment Programme Standing Order, the payment / co-payment amount will be deducted from her Edusave Account, subject to available balance. If your child is not eligible for Edusave or you have not established the standing order, payment is by cash/cheque. The cheque is to be addressed to "Raffles Girls' Primary School".

5. There is no refund if your child/ward subsequently fails to attend any learning journey(s). Kindly fill in the reply slip and return to Form Teacher by 10 Jan 2020.

6. We look forward to your support in these learning journeys.

Yours sincerely

Mrs Yue Yoke Mun
Principal
