Dear Parents,

PARENTS' NOMINATION FOR JUNIOR SPORTS ACADEMY (JSA) SELECTION TRIAL 2020

1. MOE will be conducting the selection trial for interested P4 and P5 students for the Junior Sports Academy (JSA) this year. Schools will be nominating suitable students for the selection trial. However, if you wish to nominate your child for the selection trial, you may also do so by completing the attached 'Parent's Nomination Form' (Annex A) and return it to the school by **7 February 2020**.
2. The trial will evaluate the child's general physical ability; mainly the child's natural ability of agility, balance, coordination, speed and power. There will not be any test on sport-specific skills. Therefore, no training or preparation is needed for the trial. Sufficient time will be given during the trial for students to familiarise themselves with the items used in the evaluation.
3. The aim of the programme is for students to explore, discover and develop their areas of interest and strengths across a wide range of physical activities. MOE seeks to provide broad-based opportunities for students through the Junior Sports Academy (JSA) programme with the following objectives:
 - a) Budding sporting talents will be identified and developed with a broad-based physical sports programme, to strengthen their overall physical competencies and motivation in sports at the primary school level.
 - b) These students will explore and discover their strength and passion in a range of sports at the primary school level, and subsequently to make an informed choice to commit to one of them with more targeted support from schools and relevant sports organisations at the secondary school level and beyond.
4. At present, JSA has 26 hosting venues spread across Singapore and 19 sports to choose from. The venues are mostly near MRT stations. Students who enrol into the programme will participate in one sports module, conducted once a week during each school semester. Their knowledge is further enriched through the sports-related workshops at the end of the module.

P4	2-year Programme (Primary 4 Semester 2 to Primary 6 Semester 1)	Choose up to 4 sports modules
