Dear Parents and Guardians,

Join the RGPS Parents Volunteer Group (PVG) – Partner with Us to Enrich Our Girls' Journey

Welcome to the RGPS family! As your daughter embarks on her educational journey with us, we warmly invite you to become a part of the RGPS Parent Volunteer Group (PVG). At RGPS, we believe that when parents and the school work hand in hand, our children benefit the most. The PVG is a testament to this belief, embodying a culture of trust and a shared goal—that every child deserves the opportunity to thrive, explore their talents, and achieve their fullest potential.

What is the PVG?

The RGPS PVG is a registered society of dedicated parents who work closely with the school to create a vibrant, nurturing environment. Through the years, the PVG has played an integral role in organizing and supporting a wide range of meaningful activities for our students. From the **Character Development Programme (CDP)**, now a part of the school's curriculum, to ongoing initiatives like **Contact Time Classroom (CTC)** programmes, **Racial Harmony Week**, **Healthy Lifestyle Events**, and **Mother Tongue Week**, the PVG's contributions have enriched the school experience in countless ways.

Why Join the PVG?

Our strength lies in our community. The PVG thrives because of the dedication and passion of our members—parents like you—who generously offer their time, skills, and resources. As a PVG member, you'll have the opportunity to stay informed about school events, participate in activities that matter to your daughter, and make new friends along the way. You'll be an active part of a supportive network, building bonds not only with other parents but also with your daughter's teachers and peers.

Why Volunteer?

Many parents who have joined the PVG find the experience deeply rewarding. Being involved in your daughter's school life allows you to grow alongside them, and to share in their learning journey. It's an opportunity to see the world through their eyes, to connect with their friends and teachers, and to contribute to the broader RGPS community.

Volunteering also sets a positive example for your daughter, showing them the value of giving back to their community. It's a chance to make memories together, strengthen your bond, and create a lasting impact on the RGPS experience.

Membership Information

Joining the PVG is easy. For just a **one-time, non-refundable fee of S\$60 per child** (S\$10 per year for 6 years), you'll be a member throughout your daughter's six years at RGPS, starting from **1st January**. The membership is registered under the parent's name, and either parent can be the official member. This contribution helps us to cover administrative costs, maintain communication platforms, host activities for PVG members, and support school-wide events like **Teachers' Day celebrations, Healthy Eating Week, and the P6 Graduation Party**.

Additionally, part of the membership fee goes towards subsidising enriching experiences for our girls, such as the **Raffles Experience**. With your support, we can continue to build a dynamic community that enhances your child's educational journey and fosters a sense of belonging.

We look forward to welcoming you to the PVG. Together, we can continue to create a supportive and vibrant environment where every girl can shine.
