Physical and Health Education Assessment

- Design a Skill Related Fitness Component Assessment (Group Assignment)
- Throwing of Shot-Put(demonstrating proper form)

All these components formed the basis of their assessment. Through the activities carried out, the students also learnt values like sportsmanship, teamwork and responsibility in using and keeping the equipment. Generally, students have performed well in their assessment and are able to show their understanding in both physical and health components.

During this June, we greatly encourage the students to stay active as much as possible while adhering to the Enhanced Safe Management Measures.

We hope that the students will continue to do their best and always strive to better themselves as they venture out in the other modules planned for them in the next term.

Art

In Term 2, the students were introduced to story and poem illustration. They looked at different styles of illustration and did online research on them. Students were then given two poems and chose one of them to illustrate. They searched online for relevant objects and/or ideas and did drawings of them. With these drawings as references, students composed their illustrations for their selected poem. They were taught the “Ink and Wash” method of painting and used a few basic watercolour techniques on their poem illustration.

To consolidate their learning, students worked on their final task of an illustration based on a poem or a short paragraph from a book of their choice. Overall, the students were able to use the ‘Ink & Wash’ method to paint their subject matters and compose their illustration with reference to the poem or text.

Music

In term 2, the primary 6 students continued with the Philippines music package where they practiced $\frac{3}{4}$ rhythms through a traditional Philippines clapping game. They also learnt Tinikling, a traditional Philippines bamboo dance. For their assessment, the students engaged in collaborative learning as they choreographed their dance steps and arranged their own music to perform the Philippines traditional repertoire “Bahay Kubo”, using their choice of instruments.

Instrumental Recital is an annual performance for students to showcase their musical talents on an instrument. Over the years, we have had students performing on a variety of instruments, such as the piano, violin, cello and gu Zheng. Due to the current COVID-19 Situation, precautionary measures have been put in place for the safety of the students and staff. As such, the application process and performance would be conducted online. All interested students are to submit recorded videos of themselves playing an instrument via email to rgpsrecital@gmail.com. The deadline for the online submission is 20 June 2021. Please refer to the PG notification sent out on 18 May for more information. The top 10 entries would be selected and shared with the school population on SLS.

Talentine, our annual singing/dancing competition was held in early Term 2. The event was pre-recorded and shown to all P3-6 students in class during assembly. Due to the current COVID situation, only the solo category took place in PARTs with social distancing measures in place. Students enjoyed watching the performances and gamely cheered for the participants when they saw familiar faces on stage.
