Title* (max 120 characters)	Arrangements for the Release of 2020 PSLE Results and Choosing a Secondary School for your child
Description* (max 2000 characters)	<p>Dear parents,</p> <p>ARRANGEMENTS FOR 2020 PSLE RESULTS RELEASE</p> <p>MOE and SEAB have recently shared the arrangements for the release of the 2020 PSLE results so that your child will be able to return to school to collect his/her results safely (link below). The key arrangements are:</p> <ul style="list-style-type: none">(a) Students are expected to comply with Safe Management Measures (SMM) in schools.(b) Collection of results will be done in smaller groups in classrooms.(c) Only one parent/guardian will be allowed to accompany their child/ward; they will have to wait at designated common areas in the school and observe the SMM. <p>If your child is unwell, on Quarantine Order, Stay-Home Notice or Leave of Absence on the results release day, he/she should not return to school. In this case, you may appoint someone to collect a physical copy of the results and the Secondary 1 Option Form on your child's behalf within 3 working days (inclusive of the day of results release). If you are unable to do so, you can contact the school for help.</p> <p>In addition, students will be able to view their PSLE results online via SEAB's results release system, on the day of the PSLE results release. We will issue your child with a password for the results release system from 12 Nov 2020. More information on accessing the system will be shared soon.</p> <p>MOE and SEAB will continue to monitor the COVID-19 situation and provide updates if there are further changes to the arrangements for the release of 2020 PSLE results.</p> <p>CHOOSING A SECONDARY SCHOOL FOR YOUR CHILD</p> <p>At this juncture, you and your child will also be planning for his/her next milestone – choosing a Secondary School!</p> <p>To support you and your child in this journey of choosing a Secondary School, MOE has prepared an article with a step-by-step guide, along with a list of Secondary Schools virtual Open Houses. You can also access SchoolFinder to conveniently explore, filter and shortlist schools. Links are provided below.</p> <p>Thank you and stay safe!</p> <p>(1950 characters)</p>
