Dear Parents/Guardians,

P6 Term 1 PE, Music & Art updates

We have come to the end of Term 1 and here are some updates.

PE

Sports & Games (Territorial-Invasion concept)

Sports & Games (Net-Barrier)

- Spatial awareness
- Sending object to open space
- Returning to central base position in order to continue the sparring
- Adopting an athletic stance when getting ready to receive

Through activities like modified volleyball and badminton, pupils are able to execute these skills well. Generally, pupils have performed well and shown good understanding on the concept of Net-Barrier Game.

An Active and Healthy Me

- Understanding the importance of having a balanced diet and engaging in physical activities.
- Maintaining proper eating habits and the implications of eating disorder.
- Health-related Fitness and Skill-related Fitness.
 - The various components of the different type of fitness.
 - How they perform in each of the Skill-related Fitness Component.
 - How to train for each component.

Health Fair Games 2020

The term culminated with pupils designing a game for their classmates to try out. This is to commemorate the Health Fair this year and to encourage healthy living through participation in physical activities. They had a games day where they played the various games created by their classmates. The team who came up with the most popular game based on class votes, received a certificate of recognition.

During this March holidays, do get them to continue to be physically active in preparation for the upcoming NAPFA Test in term 2.

Best regards,
Mr Yeo Eng Wee
Primary 6 PE Level Representative

Art

In Term 1, the pupils embarked on their 6-week ceramics project to create a 10cm tall vessel. The pupils were introduced to new techniques and some basic rules in ceramics making. Built upon their experience, skills and knowledge gained in primary four and five, they worked on their vessels from scratch. The pupils came up with their own creative designs and created their own unique vessel.

The pupils enjoyed the hands-on sessions and had the joy of seeing their designs transformed into 3-dimensional vessels, which are uniquely theirs.

Best regards,
Miss Elena Ker
Primary 6 Art Level Representative

Music

In term 1, the primary 6 students were introduced to the music from the Philippines where they practised $\frac{3}{4}$ rhythms through a traditional Philippines clapping game. They are still in the process of learning Tinikling, a traditional Philippines bamboo dance.

Talentine, a singing and dancing competition, was supposed to be held in Term 1. This competition, held during assembly, allows students to showcase their talents and win attractive prizes. Unfortunately, due to the COVID-19 situation, this will be postponed till further notice.

RGPS Got Talent is also postponed due to the COVID-19 situation. Unlike Talentine, RGPS Got Talent is a performance, not competition. Students are allowed to present their talents in other art forms besides singing and dancing. Over the years, we have seen our students form bands and even drama skits when taking part in RGPS Got Talent. RGPS Got Talent would be suspended till further notice.

Best Regards,
Miss Ng Bei Yu
Primary 6 Music Level Representative
