Dear Parents / Guardian

Re: Launch of Give@RGPS

The School is pleased to announce the launch of **Give@RGPS**! It is an initiative that aims to:

1. Encourage

- To encourage pupils to be ACTIVE participants of the RGPS community: Pupils to have a keen awareness of what is happening in the school and a genuine concern for the people around them.

2. Empower

- To empower pupils to take ACTION: Pupils to have the confidence that they can take initiatives to do what is right to make RGPS a better place for everyone.

3. Enliven

- To enliven an AFFECTIONATE school: Pupils to play their part to make RGPS a school where everyone feels happy and cared for.

Through this initiative, we hope to encourage our pupils to strive to make a positive difference for the RGPS community and to provide them with the opportunities to unleash their leadership potential.

For more information about how your child can be an active member of the RGPS community and take actions to contribute to an affectionate environment, you may refer to the briefing slides that are made available for you and your child on SLS.

I look forward to your support and partnership to encourage your child to contribute to Give@RGPS so that she can further develop her confidence and leadership skills.

Please feel free to write to teacher in-charge, Ms Cassandra Quek at quek_sock_cheng@schools.gov.sg if you require more clarifications.

Thank you for your support in nurturing a culture of care in RGPS!

Best regards

Wang Huiwen
HOD/CCE
