1. Girls in Aviation Day 2023

Girls in Aviation Day is an annual event launched in 2015 by Women in Aviation International(WAI SG) with the intent to interest girls aged 8 to 17 years old to pursue careers related to Aviation.

This event is free and is an opportunity for girls to gain exposure to the different career paths in aviation. Participants will get the opportunity to attend an Inspiring Girls workshop where they will meet and network with female role models in aviation (aerospace engineers, aircraft delivery, supply chain managers, pilots etc.), visit the aircraft hangar, do some flight simulations, experience drone flying, attend STEM workshops and resume writing workshops as well as visit booths by SIA/ST Engineering/Boeing etc.

The sponsor, WAI SG, is looking forward to host 300 girls on **21 October 2023** and we hope to have your partnership to sign your child/ward up for the event.

Accompanying parents/guardians will require a ticket for entry.

Interested parents/guardian may refer to the poster attached for more information on how to sign up and details of the event.

We hope you and your child will benefit from the event.

For any queries regarding Girls in Aviation Day, please email Ms Cassandra Quek, SH CCE, at quek_sock_cheng@schools.gov.sg, if you require more information.
