## **Updates on PE, Art & Music P6 (Term 4)**

Dear Parents,

We have come to the end of Term 4 and here are some updates on P6 PE. The pupils have been taught the following components.

### **Dance**

- Explore using a variety of locomotor and non-locomotor movements in variations of time, force, flow, space, levels, directions and pathways to even and uneven beats in response to music/stimuli.
- Learn to perform structured dances and repeat with modifications to the movement phrases.
  - Sicilian Tarantella (line facing folk dance)
  - Let's Bounce (Social Dance)

Through the understanding of basic movements with rhythm and music, pupils were able to perform and modify the pre-selected dance sequence. Pupils have shown good understanding on the module of Dance. While carrying out these activities, safe distancing measures were in place between small groups and within the group.

### **Outdoor Education**

Pupils were taught the basic navigation & pioneering skills and:

- Basic use of a compass
- Navigating by bearing and distance
- Tying of simple knots
- Tying of square and tripod lashing

These lead up to the Pioneering Championship at the end of the term. Pupils have performed well and displayed their understanding of building simple structures with ropes and sticks provided. While carrying out these activities, safe distancing measures were in place between small groups and within the group.

## Children's Day Games

In place of the annual Games Carnival, pupils played games in class on Children's Day.

Based on the theme of Empathy, we played games that allowed pupils to:

- Empathise with people with disabilities
- Work on fine motor skills
- Learn and demonstrate teamwork
- Display the school value of Resilience

Each class was challenged to complete various tasks with a particular limitation/disability in class. The winning classes to the P6 levels are;

	Class
1st	6C
2nd	6B
3rd	6E

Congratulations to the P6 winning classes.

We hope that the pupils will continue to stay safe, stay healthy and stay strong during this pandemic. We would encourage them to continue to engage in physical activities safely during the December holidays for at least 60 minutes a day to promote a healthy lifestyle.

Best regards,

Mr Yeo Eng Wee  
P6 PHE Level Rep

## Art

For term 4, the pupils continued with Story Illustration and finished up with their illustrations.

Some of the pupils were very creative and came up with very interesting illustrations to bring out the theme of the poems. Overall, they were able to use the 'Ink & Wash' method to paint their subject matters and compose their illustrations with reference to the poem. Many applied the techniques they have learnt and did other illustrations of their choice.

For enrichment, the pupils were introduced to surrealism and the artist, Salvador Dali. They learnt about the characteristics of surrealism and the techniques used in surrealist paintings. Through studying a series of Salvador Dali's artworks, pupils learnt about surrealism and its influences on his art. They were fascinated by the creativity and influence of Dali's artworks.

We wish your child all the best in her future endeavours.

Best regards,  
Miss Elena Ker  
Primary 6 Art Level Representative

## **Music**

In term 4, after their PSLE, pupils got together (up to a maximum of 5 in a group), to make music together. They were allowed a song of their choice (in any language) and choose any instruments they preferred in their jamming. They enjoyed watching their peers perform the end product and discover the many hidden talents amidst themselves.

We wish the P6s all the best in their future endeavours.

Best Regards,  
Mrs Lee Beiyu  
Primary 6 Music Level Representative
