7 January 2020

Dear Parents / Guardian

P3 Insect Mysteries Workshop @ Science Centre Singapore

As part of an extension to P3 Science curriculum to enhance pupils' learning on the diversity of animals, the school has planned an after-school outdoor experiential learning trip to Science Centre in Term 1. Pupils will be able to discover the many unique and different characteristics and adaptations of animals, in particular, insects, and learn about their life cycles. Pupils will also have the opportunity to observe the insects under the microscope.

The schedule for the workshop for the respective classes is as follows:

Date (Day)	21 Jan (Tue)	22 Jan (Wed)	23 Jan (Thu)
Classes involved	3A, 3F	3C, 3E	3B, 3D, 3G

Time (leave school) : 2.00 pm

Time (arrive in school) : 4.45 pm

Please make the necessary transport arrangement to fetch your child/ward home from school.

Kindly provide your **consent** via **Parent Gateway** by 17 January 2020, Friday.

Please indicate your interest to assist in accompanying the class for the P3 Insect Mysteries workshop via an email to the Science subject teachers if you are available on that day.

If you require any clarification, kindly contact your child's/ward's science teacher.

Thank you.

Yours Sincerely,

Mrs Mary Lim
Subject Head, Science
