Dear Parents,

1. The 2021 GEB Webinar Series for Parents on 'Brain Health for Gifted Learners: A New Look at Mental Health Literacy' by A/Prof Daniel Fung was held on 22 May 2021.
2. We are pleased to inform you that the recordings of the session and the power point slides have been uploaded for your viewing.
3. For ease of viewing, the recordings have been segmented to two parts:
  - Video 1: Presentation by Speaker
  - Video 2: Q & A
4. You may access the Videos & Power Point Slides via the QR Code or URL below. You will be required to log in using a google account.

5. As the recordings and power point slides are meant for GEP parents, we seek your understanding not to share the QR code and link with others. As the talk was conducted for parents and adult audiences, we do not recommend your child to view them independently without adults explaining the background context of discussion as well as the terms used. The items will be available from now till December 2022.
6. We look forward to your participation at our next webinar on 14 August 2021. More details will be provided soon.

Do continue to keep healthy and safe.

Best regards,  
GEB Counselling Department
