RGPS/N20/P1/003

2 March 2020

Dear Parents/Guardian,

Values begins at home and from the heart. To instill positive values in the pupils for life, we are going to focus on Values in Action (VIA) at home for all Primary One pupils.

1. Primary 1 VIA Project: Being Responsible At Home

As part of our VIA Programme, all Primary One pupils will be involved in this VIA project that will help them understand the importance of being responsible individuals. They are required to help out with some responsibilities and tasks at home and record all their tasks in a booklet provided. This project will be carried out in **Term 2 Week 1 (23 March) to Term 2 Week 7 (8 May)**.

We hope to nurture independent and resilient pupils who can contribute to the family in their own way. Being responsible individuals will go a long way in building and maintaining positive relationships in the family.

Parents/Guardians are strongly encouraged to partner us in this journey by monitoring the progress of the pupils at home and sign on the booklet every week once the task is completed. Pupil will submit the completed booklet to their form teacher at the end of the project.

2. Classroom cleaning routine for all pupils

As part of RGPS Character building programme, all pupils will be involved in the daily cleaning of the school environment. Cleaning are carried out at various periods of the school day, such as before the first lesson, during recess, in between classes, or just before dismissal. Some of the cleaning activities are sweeping the floor, cleaning the whiteboard, arranging the tables and chairs and emptying the waste paper basket. The aim of this activity is to inculcate in students good habits such as a sense of responsibility and care, which can be translated to their homes as well. Through this, we also hope to deepen their sense of belonging and responsibility towards their environment.

You can approach the form or co-form teacher if you have any queries.

Thank you for your partnership in developing values and character in the pupils.

Yours sincerely,

Mdm Wang Huiwen
HOD /Character and Citizenship Education
