## **Safe Management Measures**

To ensure the safety and well-being of students, please take note of the following measures that we have put in place. Students will need to

1. See a doctor and stay home if they are unwell. If there are any household members unwell with flu-like symptoms, inform the school and keep your child at home. Do ensure that the unwell household member seeks medical treatment promptly.
2. Wear a mask when they are in school and when using public transport

3. Bring their thermometer for temperature taking
4. Bring their TraceTogether token for ease of contact tracing
5. Leave the school premises immediately after the lessons

Please indicate your consent in Parents Gateway for your child's/ward's participation in this activity by Friday 18 June. If she is not able to attend the lessons, a letter of excuse is to be submitted stating the reason(s) for not attending the supplementary lessons to her form teacher.

Thank You.  
Yours faithfully,

Mrs Yue Yoke Mun
