

MySkillsFuture (Student Portal)

Exploring Education and Careers through MySkillsFuture (MySF) Student Portal

<https://go.gov.sg/MySFPri>

Chat with your child about what he/she has learned from MySF Student Portal and guide your child in discovering his/her values, interests, strengths and abilities.

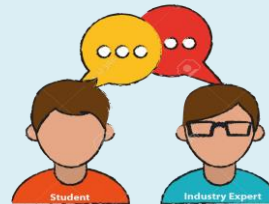

Get your child started on a journey of self-awareness and exploration!

Key Feature in MySF Student Portal (Primary)

A fun-filled game where your child can take on various avatars and **discover his/her individual strengths and skills**, while **exploring a virtual world of industries** and **learning more about various job roles and activities**.

Interact with various characters to learn about the work they do

Find out your child's strengths with a series of occupational activities and games

Discover the achievement badges your child has collected through completion of career quizzes and quests

Some conversation prompts to find out what your child has learned from the Student Portal

- What have you learnt about yourself?
- Which occupations are you most curious about?
- How do you think you can find out more?
