4 May 2020

Dear Parents / Guardian

Updates on P6 Matters

Thank you for working with the school to support your child during this HBL period. As we move into mid-year holidays, we would like to share an update on the following matters.

1. Removal of Common Last Topics

In the press release on 21 Apr 2020, MOE announced the removal of Common Last Topics (CLT) from the national exams this year. For PSLE, the topics are:

Mathematics (Standard and Foundation)

- Standard – P6 content under Speed, Volume, Pie Charts, Solid Figures and Nets
- Foundation – P6 content under Geometry, Pie Charts, Volume

Science (Standard and Foundation)

- Standard and Foundation – Interactions within the Environment

These CLT will not be tested in the school exams and PSLE. The teachers will cover these topics after the PSLE.

2. Supplementary Lessons during Mid-Year Holidays

To transit the P6 students back to school routines, the school has planned 2 days of supplementary lessons for them towards the end of the holidays:

Date	Subject	Classes
22 May (Fri)	Mother Tongue	All
26 May (Tue)	EL, Math, Science	6A, B, C, P
27 May (Wed)	EL, Math, Science	6D, E, F, G, Q

Safe-distancing measures, staggered timing for the different classes and personal hygiene protocol will be practised to ensure the safety of staff and students. As the plan is contingent on the Covid-19 situation then, we will issue the details via PG nearer the date. Attendance at these lessons is strictly voluntary for the students. Teachers will not be covering new content, but will use the sessions to go through practice papers/ open-ended questions done during HBL and practise writing and oral skills.

3. Direct School Admission (DSA-Sec)

MOE is monitoring the COVID-19 situation closely and reviewing the plans for 2020 DSA-Sec. The school will share more information via PG when it is available.

4. Exam Schedule for Term 3

The revision of the academic calendar for Term 3 will affect the dates of some assessment such as Oral Preliminary Exams. The updated exam schedule will be shared in Term 3.

5. Suggested Activities for Holidays

The children have had an intensive HBL period these past 4 weeks. We hope they can take this holiday period to rest and engage in fun and meaningful activities. There was a Holiday Care Pack shared in SLS today that provided suggestions on what they can do this holiday while staying home. As there are updates to be made, we have deleted the Care Pack and will publish the updated version when ready.

Stay safe and keep well.

Yours sincerely,

Yue Yoke Mun
Principal

Dear Parents

Thank you for your support and understanding!

*Yours sincerely,
Principals and Staff of RGPS*
