Parents/Guardian

Dear Sir/Madam,

IMPROVEMENT TO OLD ROADSIDE DRAINS IN BATCH 10 OF THE ESTATE UPGRADING PROGRAMME- CONTRACT 4 (WATTEN ESTATE)

PUB has worked with the community partners to implement the upcoming drainage improvement works along Hillcrest Road (between Watten Rise and Dunearn Road) commencing from 2 June 2025.

2 Please be advised that due to the drainage works, Hillcrest Road (from Dunearn Road to Watten Rise) will be reduced to one lane during 9:30am to 4:30pm. There will be traffic controllers to guide the traffic along PUB's work areas.

3 The existing footpath along Hillcrest Road (from Dunearn Road to Watten Rise) would be closed off during our drainage works for safety reasons. Students are strongly advised to use the alternative footpath route as shown in the plan of Annex A.

4 The drainage works are expected to complete by 4Q 2025. We apologise for the inconvenience cause during this period, and we seek your understanding. PUB will also work closely with RGPS and NJC during this period of time to minimize such inconvenience especially to traffic conditions. For more information on the lane closures and extent of work during this period please refer to Annex 1 enclosed.

5 We look forward to your support for the drainage improvement works in Watten Estate. If you have any queries, please do not hesitate to call upon our project team below or myself at 91068747 or ericsson_tan@pub.gov.sg
