Dear Parents/Guardian

Re: Updates on Primary 4 GEP Assessment Matters 2021

1. Following MOE's announcement on the phased approach for the resumption of schools after Home-Based Learning (HBL) and the cancellation of P4 End-of-Year Examinations (EYE), we wish to inform you that the school will include the following EYE component which was completed before HBL into the calculation of the respective overall subject scores:
- P4 English Oral
2. As our pupils take the mainstream EYE for MT/HMT, updates will be provided by the school or their MT/HMT teachers.
3. All P4 GEP students will not sit for all remaining P4 GEP EYE papers (English, Mathematics & Science) scheduled after HBL when they return to school.
4. We will use the GEP EYE as practice papers for our pupils to complete during curriculum time so our teachers can provide formative feedback on their learning. These scores will not be reported in the students' Holistic Development Profile (HDP) at the end of the year.
5. We would like to assure you that even without EYE, our teachers have adequate data from Weighted Assessment (WA), evidence from students' learning and daily observations to provide holistic feedback on your child's schooling experience for the year.
6. With the freed-up curriculum time, lessons will continue as planned and include the teaching of common last topics originally planned for post-examination.
7. We thank you for your support and preparing your child for the resumption of school after HBL.

Thank you.

Yours sincerely
Mrs Elaine Chong
GEP HOD
