Dear Parents/Guardians/Caregivers

Code for Fun Enrichment Programme for Primary 4 Pupils

Aligned to the Government's move towards a Smart Nation, all primary school pupils will undergo a coding enrichment programme fully funded by Infocomm Media Development Authority (IMDA) and MOE. Our Primary 4 pupils will go through the Code for Fun (CFF) Enrichment programme this year to expose them to coding and computational thinking.

Through the programme, pupils will learn fundamentals of computational thinking, basic coding concepts, programming robots using block programming and introduction to artificial intelligence. The total training hours required is 10 hours and it will be conducted by trainers deployed by IMDA. The training will be carried out in accordance to MOE's recommended Safe Management Measures (SMM). No make-up training session will be conducted in the event of your child's/ward's absence.

Information on the enrichment dates on the CFF Enrichment Programme is as follows:

Class	Dates	Time	Recess	Venue
4A	18 & 19 October	7.30 a.m. to 1 p.m.	9 .30 a.m. to 10 a.m	4A classroom
4B				4B classroom
4C				4C classroom
4D				4D classroom
4E	20 & 21 October	7.30 a.m. to 1 p.m.	9 .30 a.m. to 10 a.m	4E classroom
4F				4F classroom
4G				4G classroom
4H				4H classroom
4I				4I classroom

The two food stalls and a drink stall will be open on these four days. Pupils may also pack and bring their own food and drink for their recess.

Pupils who are taking the school buses will have to inform their school bus operators. The school buses will leave the school premise by 1.20 p.m. Cars be allowed to drive into the school to pick the pupils up at 1.30 p.m.

For any queries, you may email Ms Carinn Sim at sim_kai_lin_carinn@moe.edu.sg.
Thank you.

Yours sincerely,

Ms Chiam Lee Lee
