

Primary 5 Raffles Experience Day

A. Online Briefing

1. Please remind your child/ward to log in to Student Learning Space (SLS) from **29 March 2022, Tuesday to 3 April 2021, Sunday**, to go through the lesson package on **Primary 5 Raffles Experience Day Briefing**.
2. Students need to go through the briefing before they register for the interest workshops.

B. Online Registration

1. The online registration form will be available from **4 April 2022, Monday 3.00 p.m. to 8 April 2022, Friday**.
2. Students will register their workshops via Student Learning Space (SLS).
3. They should **log in to their Student Learning Space (SLS) account and go to the lesson package on Raffles Experience Day Interest Workshops Registration**. Note that the lesson package will only be delivered to their account at 3.00 p.m. on 4 April 2022.
4. **Each student should only choose 1 interest workshop** based on the interest survey conducted in Term 1.
5. Your child/ward has a record of all her interest areas in her Interest Area Form. Please remind her to refer to that when selecting the workshops. Your child/ward should **only choose a workshop in her preferred areas of interest**.
6. There are limited number of places for each interest workshops. If she does not find the workshop that she wants in the drop-down list, it means that all the places for that workshop have been taken. She will need to choose another workshop.
7. If your child/ward does not register by 8 April 2022, we will allocate a workshop to her based on the vacancies available.
8. The confirmed list of participants for the respective workshops will be released by Tuesday, 19 April 2022, through your child's/ward's form teacher.
9. Once students have registered or been allocated a place, they **will not be allowed to make changes** to their workshops.
10. Please take note that some workshops might require a nominal payment of not more than \$20 for materials and instructor's fee. If students have registered for or been allocated to these workshops, the school will make arrangements for the payment to be deducted from the Edusave account or GIRO*. Students who require financial assistance can let their form teachers know. Please note that there will be no refund of payment if your child/ward withdraw from the workshop after submission of registration online or is absent for the workshop. Students will not be allowed to attend the workshop on an alternative date if she is absent for it.

Notes on Payment:

If you have already filled in an application form to withdraw monies from your child's/ward's Edusave account to co-pay the expenses for enrichment programmes, once your consent to your child's/ward's participation in the abovementioned enrichment programme(s) is received, monies will be withdrawn from your child's/ward's Edusave account in accordance with your application. You will be notified by the school if there are insufficient funds in your child's/ward's Edusave account and payment by other means is necessary.

If your child/ward is not eligible for Edusave, or you have not established the GIRO standing order, please make payment upon receipt of the school bill. Bills for cash-paying students will include a SGQR, which parents may scan and pay to MOE using PayNow or NETS scheme. Parents can also make payment via AXS channels of payment, kiosks, internet or mobile and cash/cheque. The cheque to be addressed to "Raffles Girls' Primary School". Students are to drop off the cash/cheque (together with hard copy school bill) at the General office.

Interest Workshops for Primary 5 Raffles Experience Day

No.	Interest area	Workshop	Synopsis	Estimated Cost of Materials/ Instructor's Fee	Number of Places
1	Cosmetic Science	Make Your Own Perfume - with responsibly sourced therapeutic grade essential oils	Concoct a "uniquely-yours" perfume from therapeutic grade, naturally and sustainably sourced essential oils! Sharpen your sense of smell (olfactory), as you experiment with different scents and appreciate how essential oil perfume can contribute to your well-being.	\$20	20
2	Craftwork	Making Miniature Figurines Using Soft Clay	This workshop allows students to make miniature objects such as lollipop, candy, cute animals and more! It will be fun and easy to learn. All you need is patience and a little creativity to make your very own customised figurines!	\$20	30
3	Craftwork	Upcycling – Macrame Tassel Keychain Making with Unwanted Textile	An activity to learn and create your own macrame tassel keychain as a decorative item using unwanted textile. An old unwanted piece of cotton t-shirt is cut into thin strips to create cotton yarns. The cotton yarn is then transformed into a decorative item through a simple macrame technique. It can be used as a keychain, a bag charm, or attached to any personal	\$1	25
