1 October 2025

Dear Parents/Guardian

2025 P4 OCTOBER CIRCULARS

Children's Day will be celebrated on Thursday, 2 October at school and Friday, 3 October will be a school holiday.

Extending our warmest wishes to all who are celebrating Deepavali. May the festival of lights bring you happiness, health and prosperity. Happy Deepavali!

In this set of circulars, you will find the information on the following programmes. Please refer to the table below for a list of circulars which you will be receiving. We seek your cooperation to follow up accordingly and adhere to the submission dates.

If you require any clarifications, you may contact the General Office at 6468 4377 or email the teacher-in-charge as indicated accordingly.

1. Road Safety Advisory

Recently, we have received an increasing number of complaints from residents who live in the vicinity of the school. They have expressed their concerns about parents/guardian parking and waiting for or dropping off their children/wards along Hillcrest Road, Watten Rise and Watten Drive during drop-off and pick-up times. As a result, residents have experienced difficulties leaving their homes to carry out their usual activities. One resident reported that a parent had parked in front of her gate and became confrontational when requested to move.

Our school has always advocated the values of gratitude and graciousness to our girls, and we hope that parents/guardian can support the school's efforts by being good role models. Please understand that any form of harassment, threatening behaviour, or aggression towards residents or other road users is unacceptable and will not be tolerated.

We would like to remind parents/guardian to arrive at the school at the designated dismissal times to pick your children/ward up. Arriving early and parking along the narrow estate roads lead to congestion and cause inconvenience to residents and other road users, whilst posing significant danger to motorists and pedestrians. We also ask that you park your vehicles responsibly and observe parking and traffic regulations in the vicinity of the school, especially during drop-off and pick-up timings. Parking in a manner that causes inconvenience to residents and other road users is particularly problematic, as residents may need to leave their homes urgently. Should there be an emergency incident during that period, residents will not be able to seek help quickly.

As highlighted in our previous notification, PUB commenced drainage improvement works along Hillcrest Road on 2 June 2025. The works are expected to be completed by the end of 2025. During this period of roadworks, road obstructions put children and residents at increased risk. We would like to remind motorists to drive safely and slowly during this period of ongoing roadworks, while being more vigilant.

We seek your cooperation in practising good driving habits to safeguard the wellbeing of residents, students, and the wider community, as RGPS takes the safety of its students and neighbours seriously. A safe and respectful environment will make this community a pleasant place for all residents to live in and for students to learn.

Please forward this notification to your family members who help you to drop off or pick up your children/ward. Thank you for your partnership.
