The Guiding Philosophy of RGPS PE Dept

- ✓ To inculcate **love for sports & physical activities** at a young age.
- ✓ Physically fit with **skills, aptitude and attitude** to maintain **healthy lifestyles**

The RGPS Girl

Creative Thinker

Life-long Learner

Value-based Leader

Syllabus Outcomes

- **Efficiency** -- learning & mastery
- **Effectiveness** -- performance & success
- **Versatility** -- ability to demonstrate wide variety of skills and application in different context

Desired Student Outcomes

Healthy Lifestyle Practices

Students have a personal commitment to healthy lifestyle practices in physical activity, nutrition, sleep, outdoor time and hygiene.

Enjoyment

Students enjoy and value physical activities and healthy living in a sustainable way.

Movement Competence

Students are competent and confident to participate in a range of physical and outdoor activities.

Safety Mindset

Students apply risk assessment to manage daily and physical activities with respect to self, others and the environment.

Core Values

Students make informed and responsible decisions with regard to personal behaviour and social interactions based on sound values-based judgements.

Developing 21CC through PE

PE anchors students learning in the affective domain on the six **CORE VALUES** of **Respect, Resilience Responsibility, Integrity, Care & Harmony**.

The shaping of these values are then linked to the **social-emotional competencies** aligned to the CCE Framework

The development of **emerging 21 CC** (**Communication, Collaboration & information, Critical & inventive Thinking**) is pervasive in students' learning & experience in PE.

KEY CONCEPTS

Enactment of healthy lifestyle behaviours while retaining focus on movement concepts

Movement as the primary mode to reach and teach the whole child through the following three dimensions:

- Learning in Movement
- Learning about Movement
- Learning through Movement

[New] Interaction with the Environment (physical and social) to strengthen students' learning and experiences in authentic contexts.
