1. School Uniform Requirements for 2026

We hope you and your families had a wonderful holiday break and are settling well into the new school year.

We would like to remind all parents about our school uniform policy for 2026. Last year, due to exceptionally hot weather conditions, students were permitted to wear PE attire to school as a temporary measure. With the start of the new academic year, we are resuming our standard uniform requirements.

As communicated to our students during Welcome Back to School (WBTS), **all students are required to wear their school pinafores daily**. The guidelines are as follows:

Days with PE lessons: Students may wear PE t-shirts underneath their pinafores for convenience, allowing them to simply remove their pinafores during physical education classes. The PE t-shirt must be tucked in when worn at all times.

Days without PE lessons: Students should wear school blouses underneath their pinafores as per our school rule.

We have observed that our girls are sporting pinafores that are too high above the knees. Please ensure pinafores reach the knees and that the belt Velcro fastens securely. Velcro strips are available at retail shops throughout Singapore. Please also refer to the uniform guidelines in the Student Handbook distributed to your daughter/ward.

We appreciate your cooperation in maintaining proper school attire, which helps preserve our school's identity and creates a conducive learning environment.

Should you have any questions regarding the uniform policy, please contact the school office.

Thank you for your continued support.

2. CNY Used Red Packets Recycling Initiative

The tradition of giving and receiving red packets (hongbao) during Lunar New Year is cherished by many of us. However, we also recognize the environmental impact of discarding these red packets after use. In partnership with Geneco, we will be placing a special collection bin just outside the General Office for the purpose of recycling the used and excess red packets.

Starting **from Thursday, 19 February, until Friday, 6 March**, students are encouraged to deposit their used or excess red packets into this bin. To facilitate the recycling process, we kindly request that students empty the contents of the red packets before placing them in the bin. We thank you for your support in encouraging your child/ward to participate in this meaningful activity in alignment with our school direction.

3. Invitation to participate in Festival Design 2026

If your child/ward has an interest in art, do encourage her to take part in the design activity below:

Thank you and we look forward to your child's/ward's participation.

5. Addition and Alteration Works for the Installation of Air-conditioning Systems to Multi-Purpose Hall

MOE and RGPS will commence work to install air conditioning systems in the Multi-Purpose Hall (MPH). This will include the following scope: air conditioning, electrical and building work. The project will commence on 16 January and is projected to be completed by 31 March.

Precautionary measures will be taken by the school and the appointed contractor to ensure the safety of our staff and students. Whilst the contractor will cordon off the work areas and put up warning signs, please help us to remind your daughter to stay away from the work areas. Please be assured that the school will work with the contractor to minimise disruptions to school activities. Where possible, the contractors will carry out work after school hours and during the weekends.

6. Invitation to participate in Talentime 2026

Talentime is an annual school competition that brings together the best singing and dancing talents in RGPS. This competition is open only to P3, 4, 5 and 6 students. They can either sign up for the solo or the group (maximum of 5 members) categories for both singing and dancing. Music teachers will brief their classes regarding the details of the event during their music lessons from January onwards.

To better prepare our finalists in the singing category, we have invited Ms Christiane Wong, a professional singer cum song writer, to provide basic training on vocal projection and stage presence. This will be conducted face to face and attendance is compulsory.

Students who are interested in the event are to take note of the following dates in the table below.

Date & Time	Activity	Remarks
12 Jan to 28 Jan	Submission of child's/ward's audition video	Submit to RGPSTT@gmail.com Name the subject title of your email as Your Child's/Ward's Name_Class_Cateogry (e.g. Sarah Teo_4G_Solo Singing) For group submission, please include the names and classes of all the students participating. They can be from different classes and/or levels. No previously recorded videos will be allowed. Your child's/ward's video must be recently recorded <u>FOR THE PURPOSE OF THIS COMPETITION.</u>

Should your child/ward be one of the selected finalists, kindly make arrangements for her transportation home during the rehearsal days if necessary. She will be excused from any CCA or enrichment activity that might clash with her rehearsals.

Do feel free to email Mrs Amy Ng at amy_kwek_gek_li@schools.gov.sg should you have any other queries.

I look forward to your child's/ward's participation.

7. P4 Weighted Assessments 2026

In line with MOE's direction to reduce school-based assessment and nurture lifelong learners, the school will not have any mid-year examination for P4. This will also provide our students with more time to adjust to the transition and adapt to the new demands of the level.

Although there is no mid-year examination, students' learning will continue to be monitored and appropriate support will be provided. Current practices to gather information about students' learning through class discussions, homework, topical tests remain to support students' development and achievement in learning.

Bite-sized forms of weighted assessments will be conducted in Term 2 and Term 3. The table below shows an overview of the assessment weightings.

Term 1	Term 2	Term 3	Term 4
—	Weighted Assessment 1 (15%)	Weighted Assessment 2 (15%)	End-of-Year Examination (70%)

Please refer to the tables below for the schedule and coverage of Weighted Assessments 1 and 2.

Weighted Assessment 1

Term 2	Subject	Topic
Week 4	English	Oral
Week 5	Math	Numbers to 100 000 Factors and Multiples Four operations of Whole Numbers
Week 5	Science	Materials Magnets Body System Plant System
Week 7	Mother Tongue	Oral

Weighted Assessment 2

Term 3	Subject	Topic
Week 5	Math	Tables and Line Graph Fractions (I) Fractions (II) Angles Squares and Rectangles
Week 5	Science Practical	States of Matter Plant System Magnets
Week 6	Mother Tongue	Language Use and Comprehension
Week 6	English	Language Use

There will only be one weighted assessment per day and a maximum of 2 weighted assessments per week.

Please note that there will be no make-up for weighted assessments and end-of-year examination. Students who are absent on the day of assessment are to submit valid supporting documents (e.g. medical certificate) via the new feature in Parents Gateway. Performance for that subject would then be indicated as 'VR' (Valid Reason). The overall marks for that subject would then be pro-rated accordingly.

For all other matters pertaining to weighted assessment, please write in to our school and attention it to Principal.

Do continue to support your child/ward in her learning and encourage her to find joy in her educational journey.

Thank you!
