1. Welcome Back to School & COE 2026

We hope that you have had a good break with your child/ward and we would like to welcome her back to school on **5 January 2026, Monday**.

We are excited to begin a new year filled with fresh opportunities for learning and growth.

To help our students ease smoothly into the new year, we will be conducting Welcome Back to School Programme on the first day of school.

Through various engaging activities, the programme aims to promote a sense of belonging, re-establish routines and motivate students for a successful and fulfilling year ahead.

Please note that timetable will be suspended on this day. Please inform your child/ward to bring the following on her first day of school:

Items to bring on first day of school on 5 January, Monday:

- Report Book
- FTGP Book
- Stationery
- A story book
- A healthy snack for Snack Time
- Tissues, wipes and hand sanitiser (optional)

Subject teachers will advise your child on the collection of books and files during their lessons. We value our partnership with you and look forward to your continued support in making this year a successful one for your child.

As we start the new year, please take note of the following:

I. Safe Management Measures

In line with MOH's advice and as part of our efforts to ensure the safety and well-being of our students and staff, please observe the following measures:

- If your child/ward is feeling unwell, please take her to see a doctor and do not allow her to come to school.
- If your child/ward is recovering from respiratory-related illnesses, she is advised to wear a mask and minimise social interactions with big groups.
- Maintain good personal hygiene and improve hand hygiene by using sanitizers and soap available in school.

Your vigilance and cooperation are important in keeping our school safe for all.

II. School Bookshop

We would like to provide our reassurance to parents/guardians who are unable to purchase all the textbooks before school starts. Parents/guardians can walk into the school bookshop between 2.00pm and 3.00pm (Mon – Fri) to purchase books.

III. School Dismissal

The school will continue to practise staggered dismissal times in the interest of the well-being of all students. The arrangements are as follow:

Dismissal Time	Levels
1.20pm	P1
1.25pm	P2, P3
1.30pm	P4, P5, P6

In the event of inclement weather, P1 and P2 students will be dismissed by class from the canteen, while P3 and P4 students will be dismissed from the unloading bay beside the canteen.

IV. No photos/videos

Please take note that parents/guardian are not allowed to take photos/videos of other students in school during arrival, recess & dismissal.

V. Traffic Matters

Please take note of the following traffic matters. Your cooperation and consideration will help to make arrival and dismissal safe and smooth for all.

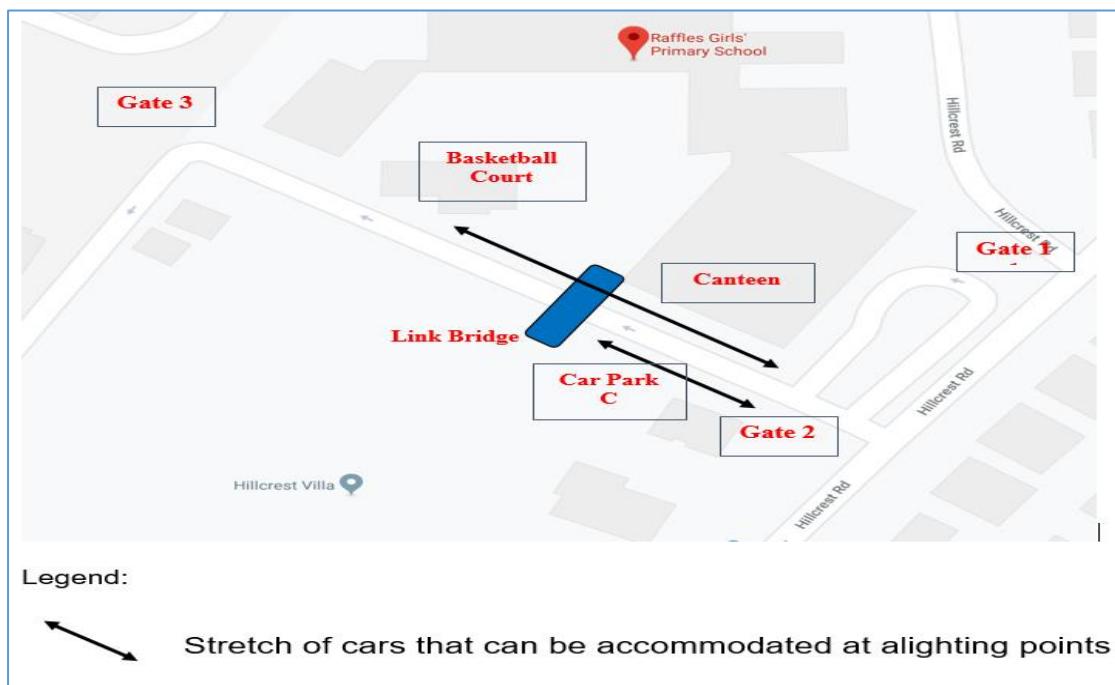

5.1 Students Walking to School

Students coming from the direction of the MRT station or Dunearn Road should enter the school by Gate 2A. From Gate 2A, students can access the hall and classrooms safely via the sheltered walkway and link bridge.

5.2 Drop-off & Pick-Up by Private Cars

Students can alight along the whole stretch from the canteen to the basketball court. This stretch can accommodate at least 10 cars at any one point, when parents **drive forward as far as possible**. Students can also alight at Car Park C (see map below) and use the sheltered link bridge to access the hall and classrooms directly. Please ensure that your child/ward is ready to alight promptly when your car stops. Parents should not disembark from the car.

Cars are allowed into the school for pick-ups at 1.40pm after the school buses leave. Cars are not allowed to wait outside the school before 1.35pm. Please do not come too early and note that partial one-way traffic along Hillcrest Road operates from 1.00pm – 2.00pm and 3.30pm – 4.30pm for CCAs. For school dismissal pick-ups, P1 to P4 parents should drive to the canteen pick-up point, while P5 and P6 parents should drive to the basketball court where the students gather to wait.

5.3 Indiscriminate Parking

Please do not park your cars indiscriminately along Hillcrest Road and Watten Rise during school dismissal. Indiscriminate parking makes traffic impassable and has resulted in a few near misses. LTA deploys officers to carry out ground enforcement of traffic rules and will issue summons to drivers who infringe the rules.

VI. CCA & Enrichment Programmes

CCAs and Enrichment Programmes will start in week 3.

Monday	Tuesday	Wednesday	Thursday	Friday
CCA 2.15pm – 4.15pm*	CCA 2.15pm – 4.15pm*	Enrichment/Remedial 2.15pm – 3.15pm 3.15pm – 4.15pm*	CCA 2.15pm – 4.15pm*	Nil

PARKING REGULATIONS ALONG DUNEARN ROAD & HILLCREST ROAD OF RAFFLES GIRLS' PRIMARY SCHOOL

Our office has received feedback regarding vehicles waiting/parking indiscriminately around the vicinity of Raffles Girls' Primary School, before the actual school dismissal hours, since the year 2020.

When the next school term starts on **2 January 2026**, we seek the parents'/guardians' understanding **not to arrive early and park indiscriminately**, as such inconsiderate act will cause inconvenience, obstruction and danger to other road users.

To prevent traffic congestion and crowding outside the school gate, **we will continue the arrangement of not allowing any vehicles at all times to wait ahead of time before the school gate is open along Dunearn Road and Hillcrest Road. LTA will take enforcement action against vehicles found waiting/parking before the school gate opens (please refer to the map)**. We strongly encourage you to arrive on time and should you arrive early, please wait at any nearby parking facilities before making your way down to pick your child/ward.

In addition, for the safety of the members of public, we would like to urge all drivers to exercise care and consideration by **not parking** at these critical areas:

- 3 metres within a fire-hydrant;
- 6 metres within a junction;
- 9 metres within a bus stop or in front of bus stop;
- Single white zig-zag line (zebra-controlled zone);
- Entrance and exit of any premises;
- No double parking along Hillcrest minor road (leading to NJC); and
- No waiting or parking against the traffic flow.
- No parking or waiting along Hillcrest Road at all times.
- No waiting or parking along Dunearn Road at all times.

Under the Road Traffic Act, any of the above acts constitutes to a parking offence. Upon receiving feedback of such occurrences, **LTA will take enforcement action against vehicles found parking indiscriminately**.

Offenders are liable to face the following penalties:

S/n	Offences	First timer	Repeated offender	Demerit Points
a	Parking a vehicle on a road with an unbroken double yellow line	\$70	\$110	-
b	Parking at any entrances or exits of any other premises	\$70	\$110	-

e	Stopping a vehicle without facing the direction in which the traffic moves	\$70	\$110	-
f	Parking abreast to another vehicle	\$120	\$180	3
g	Stopping a vehicle in a zebra-controlled area	\$120	\$180	3

4. Repair and Replacement of School Uniforms

As we approach the end of another successful school year, we would like to take a moment to express our gratitude for your ongoing support and cooperation. Your dedication to your child's/ward's education is greatly appreciated.

With the current academic year coming to a close, we want to remind you about the importance of maintaining and replacement of your child's/ward's school uniform. Proper uniforms not only contribute to the overall image and identity of our school but also help create a conducive learning environment. To ensure your child/ward is well-prepared for the upcoming school year, please consider the following:

a. Uniform Maintenance:

It is essential that uniforms remain in good condition. Please take the time to inspect your child's/ward's uniforms and make any necessary repairs or replacements. This may include sewing up tears, replacing the velcro on school belts, replacing missing buttons, or lengthening their pinafores.

b. New Uniforms for the Next School Year:

To guarantee your child/ward has the required uniforms for the upcoming academic year, we recommend checking for proper fit and condition. Growth spurts happen, and it is essential that uniforms fit comfortably and are of an appropriate length. If your child/ward has outgrown their current uniforms, please plan accordingly and purchase new ones during the December school holidays.

c. Uniform Guidelines:

Please remember to adhere to our school's uniform guidelines, which can be found on our school website or in the student handbook. This also applies to school shoes which must be white and socks which reach the ankle. This will help ensure that your child/ward is dressed appropriately for school and follows our established uniform policy.

d. Uniform Exchange or Donation:

If you have gently used uniforms that your child/ward has outgrown, we encourage you to consider donating them to the school. This helps our pupils who may get caught in sudden changes in weather or who have accidents in school which would require a change of uniform.

Your cooperation in maintaining and replacing your child's/ward's uniforms is greatly appreciated. It ensures that they are comfortable, confident, and ready to focus on their studies when they return for the next school year.

We wish you a safe and enjoyable break with the girls and look forward to welcoming your child/ward back in 2026. If you have any questions or concerns regarding uniforms or any other school-related matters, please do not hesitate to reach out to our school office.

Thank you for your continued support, and we wish you a wonderful end to the current school year.

8. POSB Smart Buddy for Payment in School Canteen and Bookshop

RGPS has been partnering with POSB to implement the world's first in-school wearable tech programme, POSB Smart Buddy since 14 August 2017. With this programme, you will be able to pre-set your child's/ward's daily allowance, and monitor her expenses and savings conveniently with a mobile app. Your child/ward will be able to make payments at the school bookshop, canteen and selected merchants outside of school with the Smart Buddy watch. In addition, you may choose to automatically transfer your child's/ward's savings into her ePOSBkids Account every month.

This initiative aims to help our pupils develop financial literacy and better saving habits. They will also learn about contactless payment as they experience using the wearable tech to pay for their purchases in the school canteen and bookshop.

You may refer to the attached digital registration letter by POSB for more details on the programme and sign-up process. Upon successful sign-up, POSB will post the welcome pack consisting of the wearable watch and other information to your mailing address. Your child/ward will be able to begin making purchases with the POSB Smart Buddy watch from **2 January 2026** onwards.

We look forward to your support in this initiative.
